**Session 2: October 20, 2025 1pm CT/2pm ET**

**Session 3: November 17, 2025 1pm CT/2pm ET**

**Session 4: December 15, 2025 1pm CT/2pm ET**

**Session 5: January 19, 2025 1pm CT/2pm ET**

**Session 6: February 16, 2025 1pm CT/2pm ET**

**Click or Scan QR to Register today!**

**An American Sign Language Interpreter will be live signing during each ECHO Session.**

### **Program Benefits:**

- Learn about your role in supporting development of children after their newborn hearing screening
- Connect with other clinicians including those in primary care, subspecialists, audiologists, speech language pathologists, and early interventionists
- Reduce loss to follow-up and loss to documentation
- Partner with families, Deaf mentors and community organizations
- Navigate the referral and documentation process more effectively
